Our Department

Electronics & Communication Engineering department was started in the year 1986.The department has been backed up by efficient, dedicated and specialized faculty who have helped the department to produce outstanding Engineers. The faculty has an excellent resource profile helping them to have a very good classroom performance. This leads to creation of university rank holders almost every year.

Our Mission

To cultivate an inspiring learning atmosphere that empowers students to embark on challenging careers in the dynamic field of electronics and communication benefiting the society.

To enhance the students with a strong technical foundation to pursue higher education and research in the relevant fields, fostering a passion for lifelong learning and innovation.

To cultivate technical, ethical and sustainable practices for the welfare of the society.

Our Vision

To excel in the field of Electronics& Communication engineering by fostering persistent learning and research while instilling values and shaping socially responsible professionals.

THREE DAY ONLINE FDP

on

LaTeX for Academics: Writing, Research and Beyond

April 10 - April 12 , 2025

FURTHER DETAILS

- Registration is on First Come First Serve Basis
- Number of participants is restricted to 100
- E-certificate will be issued to all participants

HOW TO APPLY

- Interested participants are requested to register through the registration link given below.
Registration is free.

IMPORTANT DATES

Last Date for Registration : 9 April 2025

Course Dates : 10 April - 12 April 2025

REGISTRATION LINK
